

The map displays the Lusuola Constituency, which is divided into numerous sub-locations. The sub-locations are color-coded: blue for the northern part (including Sichei, Lwanda, Khachonge, Mukhweya, and Luyi), green for the central part (including Namakhele, Nalondo, and Sirare), and yellow for the southern part (including Kibochi, Mankofu, and Mankofu B). The map also shows the boundaries of neighboring constituencies: Sirisia to the north, Chwele to the northeast, Webuye to the east, Kanduyi to the south, and Kandiwi to the southwest. A legend in the bottom left corner defines the symbols used: a black dot for a market, a dashed line for a division boundary, a solid line for an EA boundary, a red line for the Lusuola EA name, a green line for a location boundary, a blue line for a sub-location boundary, and a grey line for a major road. A scale bar at the bottom indicates a scale of 1:85,000, with distances up to 6 kilometers. A north arrow is located in the bottom right corner.
